

## The Holy Spirit And Community [1 Corinthians 12:1-13]

*text*

**Read the passage. Paul says that to speak in the Spirit causes one to confess that "Jesus is Lord."**

How is this true or not true in your own life?

*exercise*

**Take the *Leadership Indicator Test*. [Leaders, please have copies of the "Leadership Indicator Test" available for each member of your group.] Examine the results against the Scoring Sheet.**

What type of leader are you according to this test?

How does this translate into the kinds of ministries in church that might suit you (hosting, small group leadership, local outreach)?

*community*

**Peter Hwang paraphrased a quote - "God is more interested in doing something in you than he is in doing something through you."**

What are some practical steps you as a community group can take to encourage each other to grow deeper in your relationship with God?
